Our Mission Statement

The American Impressionist Society, Inc. (AIS) was founded by Florida artists William Schultz, Charlotte Dickinson, and Marjorie Bradley, of Vero Beach, and Pauline Ney, of Ellenton. It's goal:

"To promote the appreciation of American Impressionism through exhibitions, workshops and other media."

Membership

Membership is open to all (U.S. Citizen), American Impressionist artists and any who would like to support Impressionism. AIS artists enjoy outdoor painting and figure and still life painting in the studio. Emphasis is always on capturing light and color, using broken brush strokes and impasto spots of color to create a dazzling impression of the subject.

Associate Members may apply by mailing in the completed membership form with a check for annual dues of \$50. AIS Associate Members in good standing, may enter the AIS National Juried Exhibition (entry fee also required).

Signature Membership status is acquired each January, by completing the 3 consecutive years as an AIS Associate Member, and being accepted into 3 AIS National Juried Shows. Our Signature Members have earned their titles by showing superb impressionist fine art. Signature Members, in good standing, may enter AIS National Juried Shows (entry fee also required), state AIS after their name be listed on the AIS website and in other promotional materials. Status is maintained with annual membership dues of \$50.

Master Artists are invited by the AIS Board of Directors and may sign AISM after their name. We select our Master Artists carefully and consider them to be leaders in the art community. They are Nationally known, epitomize the highest level of impressionism, and passionately give back to society by sharing their knowledge. New Master Artists recommendation forms may be found on our website.
