

MEMBER'S PAINT OUT
SATURDAY, OCT. 22

Hello AIS Members,

The 12th Annual National Juried Exhibition hosted by Mountainsong Galleries and the Master Artist Workshops are approaching and we are gearing up for a fun and informative week! We would like to invite you to a member's paint out October 22 at Old Fisherman's Wharf in Monterey. The Wharf is a short 10-minute drive from Carmel. Painting options include the Fisherman's Shoreline Park and Monterey Bay Coastal Trail with sweeping views of the bay, Marina, and Wharf, and also on the Wharf itself with its colorful buildings and great views of the bay, shoreline, and boats. Plan on sharing a great day of painting and getting to know your fellow AIS members!

We will meet at the historic Customs House at 9:30 am, and from there you will be given a map from which you can select your preferred painting location. There is so much to paint we won't know where to start!

When: Saturday, October 22, 2011 9:30am to 4pm, 12:30pm lunch and group photo.

Where: Meet at the Base of Wharf 1 (Old Fisherman's Wharf), where Oliver St. and the Monterey Bay Coastal Trail Intersect. There are four parking facilities located near Old Fisherman's Wharf and more in the surrounding area. Details to follow.
