

2023

A note from your Chairman of the AIS Board of Directors:

It is the honor of a lifetime to be serving you as your President for the 11th year and CEO for the 9th year. For those of you who don't know me, let me quickly introduce myself. I live in Ralston, Nebraska, a suburb of Omaha, where I have my studio and gallery. My husband, Don, is currently serving his seventh four-year term as Mayor of our city. As you might expect, we are very involved in our community and enjoy serving. We have five grown children and seven grandchildren. I paint portraits and landscapes in oils and am especially passionate about plein air painting.

We are always striving to offer more value to our members so please reach out if you have suggestions. Don and I so enjoy meeting our members at our events. We hope to meet many more of you this year! It is truly an honor to serve you.

All my best,
